

Pecan Grove Hurricane Football and Cheerleading Belin Field Sponsorship

The Pecan Grove Hurricanes Youth Football and Cheer Organization is asking for your consideration as a member of our community. Founded in 1993, we are a non-profit organization, 100% volunteer based, with participation from families in the local area including many neighborhoods surrounding Pecan Grove and extending through Fort Bend County.

We are offering a special opportunity for local and regional businesses to touch a significant portion of the Pecan Grove, Waterside Estates, Pecan Lakes, Texana, Long Meadow Farms and surrounding communities as well as additional reach into visiting communities throughout Fort Bend County.

Through field sign advertising your business will have continuous exposure. Pecan Grove is unique in that our Athletic Complex houses not only football and cheerleading but is also a focal point for many local, regional, church and business functions. This is a year-round advertising reach!

Field Signs prominently display your name, logo and other pertinent information such as your phone number or website on a multicolor sign. With over 12,000 attendees per year to Belin Park football games alone, your message will spread throughout the Fort Bend community. Additionally, this park is located on a main access road into the Pecan Grove, Waterside Estates and Long Meadow Farms communities, providing you with excellent drive-by visibility.

The Pecan Grove Hurricanes are a 501(c)(3) non-profit organization. Our purpose is to organize, coordinate, and run events and sporting activities for the benefit of the children and our neighborhood. Our organization is composed of members who are all "Volunteers Working for our Kids." Your generous contribution can be used as a tax deduction with the support of this letter.

Thank you for your support,

The Pecan Grove Hurricane Family
